PRESIDENT CASTRO IN COMMAND
 Is Certain That He Can Crush the Revolution.

PORT OF SPAIN, Trinidad, July 14.—(by boat from Barcelona).—President Castro has taken command of the Venezuelan troops at Barcelona. The force numbers about 3000 men. President found the troops in a destitute condition and has spent the time since taking command in reorganizing them and they now present a much better appearance. President Castro asserts that he will have crushed the revolution, headed by Senor Matos, within 15 days.

Events in Venezuela, during the next week will, it is believed, decide President Castro's future. To predict the result is impossible. Anarchy is reported to exist in many places and the misery is said to be indescribable. Garupano was evacuated yesterday by the government forces and was immediately occupied by the revolutionists.

SHIPS SENT TO VENEZUELA.

WASHINGTON, July 15.—Minister Bowen considers the situation in Venezuela such that at the request of the state department, the navy department has decided to send additional ships to La Guayra, and tomorrow on the arrival of the Marietta at Kingston, Jamaica, for which place she sailed today from Cape Hapten, she will be met with orders to proceed to Guayra.

GLENAVLIN IS OVERDUE.

SAN FRANCISCO, July 15.—The British bark Glenavlin, 164 days from Tacoma to Queenstown, has been posted as overdue with reinsurance quoted at 20 per cent. It is believed here that the Glenavlin was caught and perhaps met disaster in the same storm that

overtook the British bark Howard D. Troop just arrived at Antwerp from Tacoma and which reports that she was in a safe on February 28th when the cargo shifted.

VENEZUELA REVOLUTIONISTS.

WILLEMSTAD, Curaçao, July 14.—Advices received here from Venezuela say that 900 revolutionists under General Penaloza are approaching Puerto Cabello (a city of the state of Carabobo, Venezuela) and that 400 men from the local bands are now concentrated near El Palito. The Venezuela government has fortified and entrenched Puerto Cabello. An attack on that place by the revolutionists is expected shortly. If this occurs the city will be shelled. The German cruiser Falke and the Dutch cruiser Koentgen Regent, have left La Guayra for Puerto Cabello.

108 BOER PRISONERS ARRIVE.

NEW YORK, July 15.—Among the passengers who arrived by the steamer Pretoria from Bermuda were 108 Boer prisoners from Bermuda. The Boers were clad in the same suits they wore in South Africa. Twenty-one of them had been officers. Among the most prominent of the officers was General J. B. Wessells, Peter Steyn, a brother of President Steyn, J. Devillers, late attorney-general of the Free State and Joubert Reitz, a son of the Free State secretary. None of the officers would talk about the way they had been treated by the British in Bermuda.

LOCATING SMOKELESS GUNS.

The English war office has many schemes for training their soldiers, and which are generally followed up by practical demonstration. The latest is a device for locating guns firing smokeless powder, and its success will make a new era in military progress. It is also interesting to consider the wonderful advancement in medicine during the past 50 years. It was about that time that Hostetter's Stomach Bitters was first introduced and during those years has made such a wonderful record of cures of such ailments as indigestion, heartburn, dyspepsia, belching, constipation and liver and kidney troubles, that today it occupies the foremost position as a family medicine. Don't fail to try it. Our private stamp is on the neck of the bottle.

STRIKERS CLAIM VICTORIES.

OMAHA, July 15.—The striking shop men of the Union Pacific Railroad Company claim further victories. A number of desertions from the ranks of the local force of imported men have occurred and the strike leaders say that all the helpers, numbering 50 men have quit at North Platte. S. H. Grace, who is directing the strike from this point today denied the assertion of railway officials that all their shops are running with 65 per cent or more of their full force.
